

2018 5th International Conference on Mechatronics, Automation and Manufacturing (ICMAM 2018) aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discuss on research and development, professional practice in mechatronics, automation and manufacturing. ICMAM 2018 will be held in Nha Trang, Vietnam during October 20-22, 2018.

Welcome scholars and researchers working in the field of mechatronics, automation and manufacturing from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

ICMAM is also the Annual Meeting of JMMMM Editorial Board, so it also serves to bring authors and editors of JMMMM together to communicate face to face and discuss the future development of the journal.

Publication

Choice 1. Publication in JMMMM

Submissions will be reviewed by the conference committees and JMMMM editorial board, and accepted papers will be published in the International Journal of Materials, Mechanics and Manufacturing, which will be indexed by EI (INSPEC, IET), Chemical Abstracts Services (CAS), ProQuest, Crossref, Ulrich's Periodicals Directory, etc.

Choice 2. Publication in JMERR

Submissions will be reviewed by the conference committees and JMERR editorial board, and accepted papers will be published in the International Journal of Mechanical Engineering and Robotics Research, which will be indexed by Index Copernicus, ProQuest, UDL, Google Scholar, Open J-Gate, Scopus (since 2016), etc.

Choice 3. Only Presentation Without Publication

For those who're NOT looking to publish their papers, it's acceptable to submit your abstracts to the conference simply for presentation without publication, which will be sent to at least two technical committees for a brief review, and it will take about 10 working days.

Call for Papers

Materials Science and Engineering
Materials Properties, Measuring Methods and Applications
Methodology of Research and Analysis and Modelling
Materials Manufacturing and Processing
MEMS, NANO, and Smart Systems-on-Chip
Mechatronics, Automation and Signal Processing

Important Date

Submission deadline: May 30, 2018
Notification date: June 25, 2018
Registration deadline: July 10, 2018
Conference date: October 20-22, 2018
